## Paul Garrett

Just to let you know that Paul Garrett had a motorbike accident during our Easter break – I've been to see him and he is in good spirits though laid up with a broken wrist, badly bruised lower leg, and a couple of broken ribs – ouch! Having said all that he was watching Moto GP on the telly when I went round!!

I'm sure those of you that know Paul will wish him a speedy recovery as he is a nice bloke and great student – all the best Paul and I hope to see you back training again as soon as you can.

Train hard, train often and listen to your instructor.
