Badges :-

Now that you've taken a grading please check that your quota of badges is up to date. If you are unsure of which badges you should have on your Gi then please ask Amanda for a list, alternatively there is a list in the back of your Budo pass.

Club Times & Prices :-

In the new year the Hinckley and Coalville club will be changing its price structure. This will benefit you as the overall cost of sessions will be cheaper and it will benefit us as we can ensure that we have enough funds to hire the halls that we use to train in. You will find an invoice enclosed with this newsletter for January 2007 asking you to pay for 4 weeks training in advance, please bring your payment to the next club session. We hope this will encourage you to commit to regular training and also ensure that your mat place is reserved if you do miss a session. Any sessions missed will not be refunded.

Club Progress :-

Both the Hinckley and Coalville clubs are thriving and the students are doing extremely well, which is a pleasure to see. So we hope you are enjoying your training sessions as much as Sensei Phelps enjoys teaching them? The junior mat at Coalville and the senior mat at Hinckley are now both FULL. So could we please remind you that if you will be missing a session please let us know. If you miss more than two weeks in a row and you have not let us know we will assume you no longer wish to attend and offer your place to someone on our waiting list.

Club Logo :-

A new logo has been under development especially for the Hinckley and Coalville clubs. You can see it's first outing at the top of this newsletter. What do you think?

We are now looking into the possibility of having some club t-shirts printed with the new logo on it, something smart to wear under your Gi as you train. We will keep you posted on the progress of this. Also we hope to get permission from the WJJF to have our own area badge made up for use on your Gi, a great addition to the set of badges you already have to display.

End of Year :-

We've now reached the end of our very first year of teaching Ju jitsu and have been really amazed at how many people have taken so well to this martial art. Sensei Phelps is thrilled with how many people have attended the two clubs over the past year and how enthusiastic you all are with your training. We therefore hope to be celebrating all your efforts and achievements on Saturday 10th February 2007 with an Awards Evening, details of which will be sent out to you early in the New Year. So make a note in your diary to keep this evening free for a party night.

It has been great to meet and teach you all in 2006 and we look forward to 2007 being an even better year (if possible!). All that remains to be said is **Have a Very Merry Christmas and a Happy New Year**, from Robert, Amanda, Jacob, Morgan and Duncan Phelps.
